American Royal Sales Arena

BARN No. 3

19th and Wyoming Streets
Stock Yards

KANSAS CITY, MISSOURI

— 21 Herd Bull Prospects —
27 Outstanding Foundation Females

THE SHORTHORN CLUB

Cooperating with the

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

7 Dexter Park Ave.

Chicago 9, Illinois

Information for the Buyer

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Royal Sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

MAIL BIDS

Those wishing to buy at this Sale who cannot be present may send their bids to the Sale Manager, C. D. SWAFFAR, c/o Hotel Phillips, Kansas City, Mo. We also list the following competent men who will be glad to handle buying orders for you. You may contact them at the addresses given or in care of the Sale Manager at the Hotel Phillips.

AUCTIONEER: HAMILTON JAMES, Newton, Illinois.

SHIPPING ARRANGEMENTS:

It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment after 9:00 P. M. Saturday, Oct. 26. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

INSURANCE coverage may be secured effective at time of sale.

HEADQUARTERS: Hotel Phillips, Twelfth and Baltimore Streets, Kansas City, Mo.

TERMS OF SALE

The terms of this sale are cash.

GUARANTEE

All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association.

LIABILITY

Although every precaution will be exercised to protect the safety and comfort of our guests at this show and sale, neither this Association, nor its representatives, nor the Shorthorn Club, nor the auctioneers nor clerks, can assume any liability for any accidents.

THE SHORTHORN CLUB—C. D. Swaffar, Sale Manager
cooperating with the
AMERICAN SHORTHORN BREEDERS' ASSOCIATION

Our Invitation

A good investment is one that returns attractive profits, maintains its security and stability through economic vagaries over a long period of time, and continually creates its own public demand. That is why we invite you to become a breeder and producer of purebred Shorthorns. Years of show-yard and market records prove conclusively that there is no more inviting vocation in the realm of animal husbandry than the breeding of Shorthorn cattle—**BEST IN EVERY WEIGH!**

Shorthorns have proved for centuries that their greater weight at any given age, greater scale, dual profitability of beef and milk, gentle dispositions, and easy feeding qualities, make them money-makers without peer. They return the greatest weight across the scales for their board and keep of any beef breed, their outstanding advantage being their unrivaled range of adaptability to any environment.

The field for expansion is unlimited. There is a sound profitable public demand for all surplus seed stock you can produce. In ten years purebred Shorthorn sales have increased 122 percent with a resultant 71 percent increase in registrations of purebred calves. We invite you to help meet this demand.

The facilities of the American Shorthorn Breeders' Association is at your service. We are ready to cooperate with you at no charge either in solving your cattle problems or in locating and assembling one or a carload of Shorthorns for you. **REMEMBER—you sell BEEF by the POUND and you GET MANY MORE POUNDS with SHORTHORNS.**

Schedule of Events

SHOW OF SALE CATTLE—9:00 A. M., Sunday, October 20

The cattle will be shown only for the purpose of making the sale order and to provide an opportunity for prospective buyers to study the sale offering. There will be no ribbons or premiums offered.

SHORTHORN BREEDING CATTLE SHOW—9:00 A. M., Monday, Oct. 21

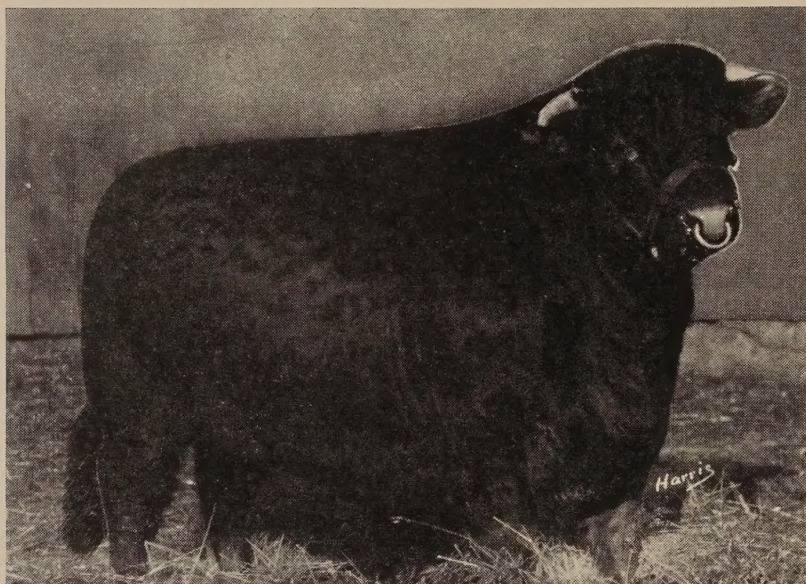

All of the animals listed for this Sale will be included in the regular classes of the American Royal Breeding Cattle Show, to be judged on Monday and Tuesday by Charles Garden, Des Moines, Iowa.

SHORTHORN CLUB BANQUET—6:30 P. M., Tuesday, October 22

Every Shorthorn breeder and enthusiast should plan to attend the banquet, to be held at 6:30 P. M., Tuesday, October 22, at the Hotel Phillips. A very interesting program has been arranged and an excellent dinner will be served. Tickets will be available from any Association representative.

SHORTHORN CLUB ROYAL SALE—9:00 A. M., Wednesday, October 23

The Sale will be started promptly at 9:00 A. M. with Hamilton James as auctioneer, and will be held in the American Royal Sales Arena—Barn No. 3—located at 19th and Wyoming Streets, Stock Yards, Kansas City, Mo.

MARMAC COCK ROBIN

MARMAC COCK ROBIN has been described by several very good judges as the best bull sired to date by the good breeding bull Imp. Garguston Cock Robin. He is a deep rich red, wonderful head and horn, very mellow fleshed and a good strong bone. We have mated several of our very best heifers to this bull. He is one of the best we have exposed for sale for some time.

CRICHTON COMMANDER is out of a nice, low-down, young cow that is a grand milker. His sire was one of the high selling bulls of his year at Perth.

PRINCE PETER JR.

PRINCE PETER JR.—Is a dark red bull with a wonderful head, thick and compact body. His quality and smoothness of fleshing are inherited from both sire and dam. His dam, Dunridge Lavender, was junior champion female at Kansas City Royal in 1940. In 1941 she was second two-year-old cow at the International and was grand champion female at several state fairs the same year. A prospective herd bull from an outstanding sire and dam.

Security With Shorthorns

The Shorthorn breed affords many examples of how the average farmer can start breeding Shorthorns in a modest way with good seed stock, and with enterprise, faith and good judgment advance to a leader's position in breed progress. A modern example is that of the grand champion at the 1941 Chicago International. He was bred and raised by two average Iowa farm boys, purchased as a yearling by two other average

Iowa farm boys, shown by them to grand championship at the world's greatest livestock show, and during the next three years 28 of his calves at only two sales, all yearlings or under, sold into 12 states for a total of \$22,535. An additional dozen sons and daughters were sold privately or at other sales, swelling the total to well over \$25,000 cash return from one correctly bred bull in four years time. In addition, there was extra income from cows sold in calf to his service, calves yet to be sold, and accumulated worth of his daughters retained in the herd.

Insure your own future security by investing in Shorthorns. **YOU CAN'T BEAT THEM AS MONEY-MAKERS.**

EDELLYN BARONET MERCURY is one of the top senior bull calves of the year. In the strongest of competition he stood 3d at Illinois State Fair, 2d at Iowa and Wisconsin and was a member of the undefeated pair of calves at these shows. He is sired by a son of Calrossie Mercury that is out of the same dam as Edellyn Royal Leader—and combines show yard confirmation with breed character and faultless ancestry. Good breeding bulls have good heads. Have a look at this one.

World's Record Priced Steer

The star performer in the beef cattle world in 1945 was the purebred Shorthorn steer, Tomahawk, grand champion at the 1945 Chicago Market Fat Stock Show over 1,640 others of all breeds. He set a new high of \$10 a pound on the Chicago market and established a new world high total price paid for a single steer of \$11,100 because of the famous greater weight for age characteristic of Shorthorn breeding. Although an Eastern States champion in 1933 brought \$11.15 a pound, he weighed 195 pounds less than Tomahawk to total \$10,206.25. Both were summer yearlings. Once more showyard winnings and buyers' prices proved without question the money making propensity of the Shorthorn. The steer dressed at 67.5 percent, and was owned by C. A. Henkel of Mason City, Iowa, breeder, and Joe Duea, Belmond, Iowa, fitter. Shorthorn steers now hold three world price records and many sensational market records.

ROYAL STAR is a rich red with a wonderful head, level lines, ample bone and a thick covering of flesh. He has weight for age and quality to go with it. You will be pleased with the calves by Edellyn Royal Favorite.

The Worth of a Good Cow

The ultimate in the acquisition of good foundation females is the purchase of the grand champion Shorthorn cow at the 1940 and 1941 International Livestock Expositions. She sold as the top female in the 1940 International Shorthorn Congress for \$1,350, came back the next year under her new ownership to win a long list of other awards including the supreme honors again at the International. Her first calf was

consigned to the 1944 International Congress where she topped the sale in the female division at \$3,700. The second calf, a full sister to the first, was consigned to the 1945 International Shorthorn Congress and sold for \$5,000. She now has a third calf by her side and years of usefulness ahead of her. This is what can happen to good Shorthorns in the hands of breeders who started at the bottom—doing their own feeding, showing, selling, managing, financing and farming in order to get started, but who reached a front place in the showing parade with a herd built on strong foundation females mated to bulls of correct type and quality. Females IN THIS SALE as foundation seed stock will return many times over their purchase price.

HELFRED VERBENA 16th is a bred heifer that was in our breeding herd and only the insistence of the sale management cause us to enter her in this sale. From Helfred's great Verbena family and way along in calf to Edellyn Royal Leader this heifer could easily prove the greatest buy that we have offered this year. The Leaders are the "All-American" favorites and here is your opportunity to get one. Bred July 9, 1946 to Edellyn Royal Leader.

GOLDEN OAK ROAN LADY is a full sister to Westmorland Supreme sold in the recent Congress Sale to Will-O-Pat Farms, Opolis, Kans. She is another daughter of Prince Peter that will improve right along and will be an asset to any herd. Bred August 27 to Edellyn Royal Leader 14th 2222169.

World's Record Price Beef Bull

On Feb. 12, 1946, the world record price up to that date for a bull of any beef breed, \$61,335, was paid by Ralph L. Smith, owner of Sni-A-Bar Farms, Grain Valley, Mo., for Pittodrie Upright, the Supreme Champion of the 1946 Perth, Scotland show, the original home of Scotch bred Shorthorns. His sire had five sons at that show which won all the leading honors and sold for a total of 35,700 guineas or close to \$150,000. Good Shorthorns are always in demand at premium prices wherever they are raised.

S A B COSTLY LILY is a heifer good enough to go into any herd. Her sire was one of the top bulls in one of our sales and is proving a real breeder for the McClaskeys. Bred Aug. 31, 1946 to Pittodrie Upright, the Perth champion.

Producers of Wealth

A very significant part of the wealth producing ability of Shorthorns rests upon the cow herd. Cows like these are the backbone of efficiency of any herd. They combine pedigree, individuality, prolificacy and long life. They are reliable as regular producers of the kind of calves that go on into other herds contributing improvement and popularity for Shorthorns and bringing ever increasing wealth to the owners. There is real money in their uniformity of color and type. At this **ROYAL** sale you will have the greatest chance of your life to increase the uniformity of your herd either with the purchase of additional females or a good bull. **COME PREPARED TO BUY.**

DONHIL GLOSTER 4th is a nice smooth daughter of Edellyn Supreme Mercury that should develop into a good brood cow. Her fourteen-year-old dam has been a great producing cow and a good milker. She is from the old Carpenter & Ross family which produced many outstanding cattle, and the blood of Avondale, Revolution and Browndale Captain is high in the pedigree. Will be bred in October to Sovereign Rothes 2176128.

Modern Type Plus Extra Weight

This load of Shorthorn feeders shown by the Winkler Sisters, Castle Rock, Colo., was the unanimous decision of the judges for the grand championship over all breeds at the 1946 Denver National Western Fat Stock Show competing with 58 loads of the greatest feeder carlot showing on earth. They sold at the record price of 47 cents a pound, and because of their extra weight outsold by \$20 a head feeders of another breed of the same age which later brought 50¼ cents a pound. The 20 head of champions weighed 475 lbs., brought \$223.25 a head. The feeders of the other breed of the same age weighed 404 lbs. and brought \$204.01 per head. This puts the Shorthorn grand cham-

pion feeders at the top in world record totals because of that extra weight which makes them such a profitable breed to feed and sell on the open market or as show cattle.

It's Easy to Raise Shorthorns

No investment offers sounder security than the purchase of a breeding herd of good purebred Shorthorns. Approximately 98 percent of the members of the American Shorthorn Breeders' Association derive their chief livelihood from the production and sale of purebred seed stock. Every ranch and nearly every farm in the United States can be adapted successfully to their profitable production because of their natural ability to adjust to environmental conditions. The essential outlay including buildings necessary for winter shelter can be made inexpensive.

You need not be an expert to produce purebred Shorthorns. The breed has such remarkable ability to take care of itself, has such hardiness and resistance to diseases common to other breeds, that it is not difficult for the average producer to start with a few choice cattle and within a few years of judicious management work up into front ranks as a breeder.

Choose the female unit for a herd foundation which is best suited to your program and what you want to spend. Plan it in order to leave enough for the purchase of a bull good enough to improve it. Select animals that are short-legged with wide deep bodies covered smoothly with uniform flesh (square blocks of beef with legs set at each corner) remembering always that uniformity in conformation and coloring pays off in real dollar and cents values. Keep in mind that in all your operations, your keynote to greater success is a better sire.

The animals offered in this sale are all from herds that have built national reputations by following such a plan.

ARK LEA NONPAREIL LADY 2d—The dam of this little lady is one of the best cows in our herd,

Can You Use an Extra \$1000?

Aside from the pleasure and profit in raising purebred Shorthorns, there is another way to increased income for the Shorthorn breeder who raises only the best. A well-conditioned steer getting to the top in inter-breed competition at a major show has great advertising and publicity value to the breed as well as to the breeder and the exhibitor of the steer.

To encourage owners of good Shorthorns to pick better calves for steers and to see them get into top competition with other breeds at major shows, an extra bonus of \$1,000 has been established by the American Shorthorn Breeders' Association for the exhibitor of a Shorthorn steer adjudged grand champion over all breeds at the Chicago International, Kansas City Royal, Fort Worth or Houston Fat Stock Shows, and the Denver National Western. In the case of a breeder who can't use that extra thousand dollars, there is many an expert fitter and showman among the 4-H or FFA boys and girls who would be glad for the chance to win it if the Shorthorn steer is made available to them.

You will find bulls in this sale which will sire the type of steers that can make you eligible for this thousand dollar bonus as well as bring to you the great prestige attached to breeding and exhibiting A GRAND CHAMPION STEER.

A Century of Service

In 1846 the first American Shorthorn Herd Book came off the press under the persevering guidance of its compiler, Lewis F. Allen of Black Rock, N. Y., a kinsman of Grover Cleveland, twice president of the United States, who later, as a rising young lawyer of Buffalo, helped in the compilation of the second, third, fourth and fifth volumes. It was the first Herd Book in this country for any improved breed of cattle. It made its appearance 24 years after the first English Herd Book and recorded about 600 Shorthorns. The second book, appearing in 1855, included some 3,000 head. In 1946 the number of purebred Shorthorns in America since the first importation in 1783, will reach the three million mark.

More and more cattlemen are switching to Shorthorns because of their greater efficiency per animal unit—quicker maturity—greater natural weight at any given age, and ability to thrive on low cost feeds. In the last few years more active members have enrolled with the American Shorthorn Breeders' Association than with any other beef breed.

According to a recent survey by the NEW ENGLAND HOMESTEAD, the membership of the American Shorthorn Breeders' Association now outnumbers that of any other beef cattle breed association in this country.

In addition to the wide new markets created, further reason for

our rapid growth is the savings in recording fees accorded to members. Every member upon joining immediately receives a 50 percent saving on all registration and transfer fees. NO OTHER CATTLE REGISTRY ASSOCIATION can match OUR LOW COSTS of MEMBERSHIPS, REGISTRATIONS and TRANSFERS.

A Life Membership costs only \$10 plus an annual due of \$1. In addition to reduced registry fees, your name goes on the lists of breeders sent to all prospective buyers as sources of supply, you have a vote in the election of delegates and directors, and best of all, your membership fee is PUT IMMEDIATELY TO WORK finding NEW BUYERS FOR SHORTHORNS—THE GREATEST BREED OF CATTLE ON EARTH. Send your check now and help boost your favorite breed. Write to
